Subject: Conflict Minerals Verification (CMRT 6.5 Version)

Dear Sir or Madam,

We hereby confirm that the steels supplied by AMIC do not contain any “Conflict Minerals” as defined by the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act.

AMIC does not purchase or process any raw materials, nor any products containing coltan (tantalum), cassiterite (tin), gold, wolframite (tungsten) or their derivatives, originating from conflict-affected areas, in particular the Democratic Republic of the Congo (DRC) and neighbouring countries, and extracted under conditions that violate human rights.

Should you require any further information, please do not hesitate to contact us.
Yours faithfully,

Isabelle VIDAL
Managing Director
